# GLENROYD MEDIAL'S NEWS

Congratulations to Dr Sarah Taylor on the birth of her baby son.

Glenroyd Medical is an Accredited Training Practice for Foundation Year 2 Doctors, who will spend six months with the Practice, learning what it means to be a General Practitioner. They are mentored by Dr. Shearer and the other doctors at Glenroyd Medical

Soon joining us, at the surgeries will be Trainee Doctors -  
- Dr. Raza and Dr. George.

We all wish them a warm welcome and hope they will choose one day soon, to qualify as much needed GPs.

## Practice Survey

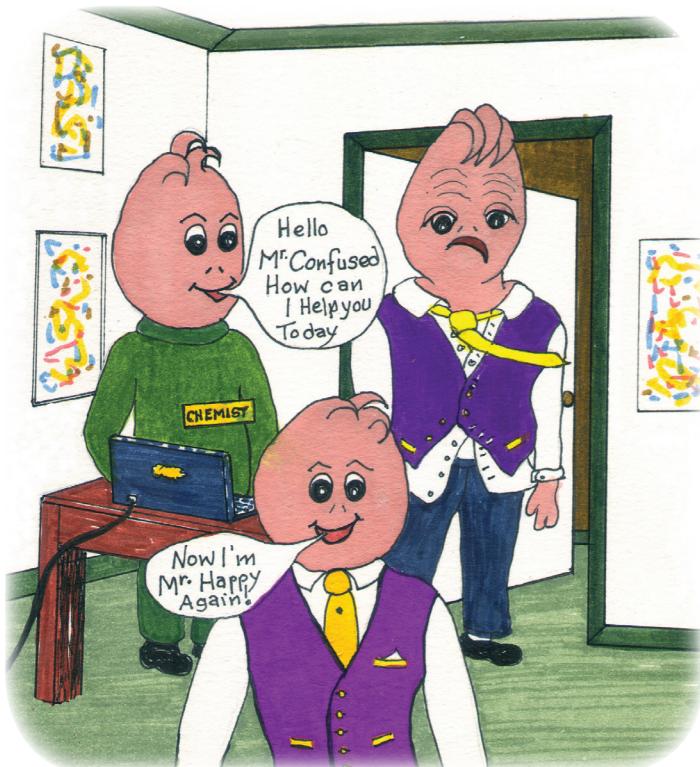

Be on the lookout for the New Practice Survey, in the Surgeries.

We hope you will complete one.

Surveys all help to gather opinions on how and if, Glenroyd Medical is managing to provide the best services for you. It also informs you of Services and Staff you may not know exist.

Please fill in a Survey, and in the space provided, any ideas you may have of ways to improve Glenroyd Medical  
**Thank You**

# The Bathroom of the Royd Children's Grandparents - Gran & Pops

**POPS-** Its very Quiet ! Where are the children?

**GRAN** -Will has gone to the toilet, but that was a while ago. I think we had better check he's OK

**POPS** - That's where you are !

**GRAN** - What are you doing climbing on the toilet seat, your going to fall.

**WILL** -Mo and I just wanted to find out what these sweets, you keep in the cupboard, - taste like ?

# **GRAN - Have You Eaten Any Of Them ?**

**MO - NO !**

**WILL - NO !**

**GRAN - Your Not in trouble. Come on, get down.**

These are tablets / pills. They are NOT sweets.

Pops and I take them to keep us well BUT if you took them they could make little ones like you, very poorly.

So please don't think about trying them, or anything else like them.

Please ask Pops, Me, Mummy, Daddy or any grow up, before you try anything new.

Come with me and I will find you some real sweets

+++++

***A Little Later -***

**GRAN - That could have meant a trip to the Hospital to get Wills and Mo's stomachs pumped out.**

**POPS - That was a daft place to put a Medicine Cupboard, above a toilet, where children can climb up to it.**

I will move it to a better place.

**GRAN - When there are no young children living in your home or come visiting, you forget how Inquisitive young children are!**
